

Leon Powers, Ph.D.
Professor, Biology Department
Nationally recognized author
and expert on birds of prey

One of over 250 reasons why NNU is Idaho's top-ranked university

Dr. Leon Powers is one of many reasons U.S. News & World Report chose Northwest Nazarene University as Idaho's top-ranked university in the 2006 edition of America's Best Colleges. Choose from over 40 undergraduate majors or five master's degrees.

Visit the NNU campus—in person or online—to see how a dedicated faculty coupled with strong Christian values help shape tomorrow's leaders.
